MUMBAI 2019

**Featuring the Fundamentals to
Innovation: Techniques & Technologies**

June 14 - 16, 2019
Hotel Grand Hyatt, Mumbai

Welcome Message

Dear Friends and Colleagues,

With the aim of bridging the gap in Neurovascular and Acute Stroke knowledge, a carefully designed conferences of SNVICON2019 provides the latest updates and insights into the cutting-edge procedures by highlighting the theme “Fundamentals to Innovation Techniques and Technologies”

SNVICON2019 is pleased to welcome you all for the Fourth Annual Congress of Society of Neuro-Vascular Intervention which is to be held on June 14th - 16th 2019 at Hotel Grand Hyatt Santa Cruz East, Mumbai, India.

SNVICON 2019 offers a great platform to share your knowledge and is uniquely positioned. This conference offers plenty of networking opportunities, providing one with the right prospect to meet and interact with international faculties, national faculties, speakers and delegates. SNVICON2019 has a lot to keep up with. SNVICON2019 conference alerts all of us by conducting scientific programs, 3D stimulator workshops first time in India in cathlab, stroke awareness sessions, live cases, 3D lectures of spinal cord and brain & recent advances which are well organized and informative. The conference almost tackles all the necessary information which is needed to be known for all Neuro Interventionist Professionals.

This gathering will offer a new prospect to new thoughts and relationships.

Hence on behalf on the entire organizing committee, we keenly look forward to welcoming you all in the city of Mumbai, India. Mumbai being a highly spiritual city, Mumbai after sunset is an unbelievably different city.

We hope you would be able to fit this event in your busy schedule. I would be grateful if you all take part in the conference and share your expertise. Your knowledge and skills would be excellent addition to our program.

WISH YOU ALL A PLEASANT STAY IN “AAMCHI MUMBAI!”
